Housing
The Sagittarius fixture housing is constructed from a combination of heavy-duty cast and spun aluminum.

Electrical Components
Zuma's high-performance LEDs leverage cutting-edge technology to enhance thermal management and ensure longevity. Each fixture is equipped with 80 CRI LEDs, with options for higher or lower CRI values available upon request. Available in Type III and Type V distributions with wide choice of color temperatures from CCT(2700K - 5000K). These LEDs are designed to fit LEDIL lenses with IP67 rating.

For dynamic lighting control, 0-10V dimming capabilities are available upon request. Additional control options are outlined in the specifications above. For custom integration needs, controls can be tailored to seamlessly connect with existing management systems. For more detailed information or to discuss custom solutions, please contact our sales team.

Lens
Optional anti-glare frosted diffusion lens is fabricated from acrylic.

Mounting
Fixture can be installed on post-top.
Tenon top mounting options:
- over 3" OD (standard)
- over 2-3/8" OD

Fixture can also be installed on mounting arms, sold separately. See architectural arm .pdf for style options.
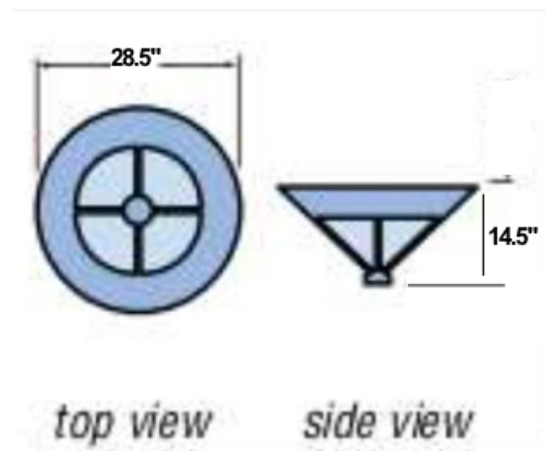

Finish

Our thermoset polyester powder coats, available in standard and custom colors, undergo rigorous preparation including sandblast treatment to ensure optimal adhesion and surface integrity. Each coating is meticulously applied to achieve a uniform thickness of 2-4 mils, then oven-baked to enhance durability and color stability. This process guarantees a superior finish that withstands the elements and maintains its aesthetic appeal over time. For specific color requirements or further details on our finishing process, please contact our customer support team.

Certificates & Warranty
- Buy American Act (BAA) Compliant*
- Build America, Buy America (BABA) Compliant*
- Dark Sky Compliant*
- Suitable for Wet Locations
- 5-Year Warranty

Must specify at time of ordering in order to ensure product is manufactured to meet all required compliances.
